

LATE NOVEMBER NEWSLETTER

Dear Friend and Supporter

November weather issues

We were so disappointed to have to cancel our event for 13.11.24 to celebrate the life of June Rendle but this was a directive by the townhall to all residents and businesses given the serious weather warnings that had been predicted. Miles, his sister Nikki, and the cast and crew were gutted too.

We sincerely hope that everyone was safe and did not suffer any damage to their property. We made an immediate and full refund to everyone that had booked.

We will, of course, be rescheduling the event to a new date and will advertise this as soon as possible.

It's Christmas....almost!

We are approaching the festive season and below is the menu for our Christmas celebration evening at La Grappa Restaurant on Friday 13th December 2024. We are meeting at 6.30 pm, with the meal at 7.15 pm.
